the A.H.S.

(3) Descriptions of varieties shall follow the form and procedure as set up and approved by the Board action in previous decisions.

(4) A list of varieties shall be selected from the master list and prepared for circulation to the membership. The form of printing and binding shall be submitted to the Board for approval. This list is proposed to include only the varieties that are well enough known to appear in standard chapter shows. New seedlings and introductions will be added to the list by periodic revisions as they become available to the average members.

(5) For the purpose of condensing the list to practical proportions it is proposed to adopt a code of descriptive symbols to describe the characteristics of type of bush, vigor of growth, size and form of bloom. Color only will be treated in detail.

(6) All registrations now in the records shall be revised and all varieties removed which the Nomenclature Committee decides are lost completely, and for which a description has never been submitted.

(7) A number shall be assigned to each variety accepted, in the numerical order in which they were originally submitted, as near as can be determined. Future registrations will receive a number as they are qualified.

(8) Future applications for registration shall be accompanied by duplicate 3" x 5" file cards giving a complete description of plant and bloom in the form set up by the Nomenclature Committee.

(9) All applications for registration shall be accepted as part of the Nomenclature records, but a number shall not be assigned until sponsor fur-

PRESIDENT (From page 10)

try to run it to suit you and not the staff.

I would again like to thank all those who have helped me in the past year, and in particular Jimmie Monroe. He is indeed a good, strong, golden, right arm. It also gives me a great deal of pleasure to welcome the newly elected Board Members and Officers. Working together and with the help of all of you, we will have the best year yet for AHS.

Attend all the shows you can, and don't forget to bring your blooms to enter. Support each chapter and help make their show a success.

May the Good Lord look on all you love, tenderly today.

Rosalie
